

**OUR VISION**  
 A global education leader

**OUR MISSION**

Provide high quality curriculum, assessment and reporting to enable learning for life

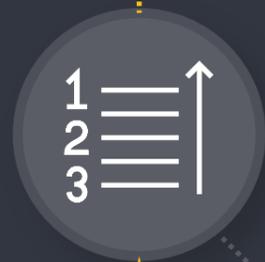

**GOALS** Over the next four years we aim to...

Enable education professionals to maximise outcomes for learners from birth to senior secondary

Be responsive, adaptive and accessible to learners and education professionals

Embed innovation and continuous improvement in everything we do

**PRIORITIES** We will achieve our vision, mission and goals by...

Continued and improved delivery of high quality curriculum, assessment and reporting consistent with our legislative obligations

Establishing a strategic research, innovation and development model, building on our knowledge, resources and relationships to lead new thinking and action

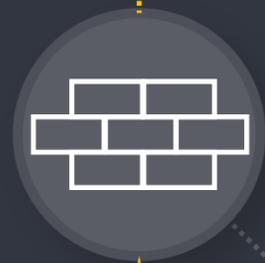

More targeted and deeper engagement with the education community to improve our understanding of, and responses to, their needs

Embedding our knowledge of learners and education professionals into the design and delivery of curriculum, assessment and reporting products and services

Strengthening the integration of curriculum, assessment and reporting to support learning
