Section 4

Vocational Education and Training Delivered to Secondary Students

Vocational Education and Training Delivered to Secondary Students is defined as any nationally recognised vocational education and training that is counted as credit towards a senior secondary certificate. The table below include both VCE and VCAL students enrolled in VET.

In Victoria, VET may be undertaken within VCE VET programs; or through School Based Apprenticeships (SBAT), which includes part-time employment, part-time training, and part-time school; or through a recognition mechanism called Block Credit Recognition in the VCE.

Table 4.1: Secondary Students Participating in VET, 2021¹

	Number of Students
SBATs	3,200
Other VET	48,667
All	51,867

Table 4.2: Certificate Enrolments in VET, 2021

	Number of Students
SBATs	3,287
Other VET	69,013
All	72,300

Table 4.3: Home Schools with Secondary Students Participating in VET by Sector, 2021

Sector	Number of Providers
Adult (TAFE and ACE)	29
Catholic	99
Government	346
Independent	157
All	631

¹There were 1,418 students enrolled in both a SBAT and other VET qualifications. They have been counted only once in the SBAT category.

Table 4.4 shows the range of certificate, by industry and type, in which students enrolled as part of their senior secondary program. It should be noted that a student may enrol in one or more VET certificates concurrently. 'SBAT' relates to apprenticeships or traineeships undertaken by students in qualifications covered by VCE VET programs and 'Other' represents all other VET qualifications not undertaken as VCE VET or an apprenticeship or traineeship.

Tables 4.4 and 4.5 refer to units of competency. Units of competency (UoC) describe the skills and knowledge required by a person to work effectively in their industry area. Each UoC has a nominal hours assigned to it, which reflects the time taken to teach and assess it.

Table 4.4: VET Certificate Enrolments by Industry, Certificate Type and UoC Hours Achieved, 2021
