Inspections should take place at your school with the principal's permission. The examination response material/s will be mailed to the principal. An appointment must be made with the school for the inspection. The duration of the inspection is approximately 15 minutes per examination.

There is a fee of \$23.50 per examination.

When schools are closed, inspections may take place at the VCAA by appointment.

You are required to obtain the relevant Statement of Marks prior to an inspection.

Response materials do not contain any assessor's marks or comments and remain the property of the VCAA. The VCAA recommends that your subject teacher be present when the examination response material/s is inspected. If your subject teacher is not available, you should contact your school to discuss the availability of a suitable substitute teacher of the subject at the same level.

In exceptional cases, where it can be demonstrated that an objective factual error has occurred in the assessment of a question/s, the VCAA may consider a Student Examination Reassessment Application (SERA) by your school principal. To be considered by the VCAA, a SERA must comply with SERA guidelines that are available to schools on VASS. A recommendation must be made by the subject teacher (or suitable substitute who teaches the subject at the same level) who has inspected your response material with you.
