

Planning my VCE program

Use this chart to plan the VCE program you would like to do.

Things to consider:

- whether you want to complete your VCE in two years or in three years
- that you have to include an approved combination of at least three units from the English group, and at least three other sequences of Units 3 and 4 as well as the compulsory English units
- the list of VCE studies and the list of VCE VET programs
- the student profiles in *Where To Now? 2017* and advice from others about the program that is best for you.

	Year 10	Year 11	Year 12
Unit 1			
Unit 2			
Unit 3			
Unit 4
