No asterisk indicates that a whole class has been moved to another centre

A row of asterisks indicates student/s moved individually to another centre.

Actual centres for these examinations. These have either combined for a whole study or transferred individual students to this centre.

Note
You must complete the 'Approval to combine/transfer for external examinations' form if:
a) your school makes arrangements to combine with another school/s for a study/s
and/or
b) you are confirming the previous year's arrangements with another school/s
and/or
c) if you transfer individual student/s from your centre to another centre
Failure to complete this form will result in the change not occurring and/or past arrangements not continuing.
