

VCAL Numeracy - Foundation

Learning Outcome 3 - Money and Time

Reading and Understanding Bills

For each of the household bills attached (Origin Energy, GWM Water, Telstra) circle or highlight the following information:

1. Name of the provider
2. Number to phone if a problem occurs
3. Time period for which the bill is current
4. Account number
5. Total amount to be paid
6. Date to be paid by
7. GST included in the charges
8. Amount paid on last time period
9. Name of the business document
10. Penalty fees or charges for late payment
11. Cost per day and usage per day
12. Payment options available

Write the corresponding number from above next to the information you have highlighted on the bills.

If you are sharing a house with 1, 2 or 3 others; show the amount of the bill that must be paid by each person.

Bill	Sharing with 1 other	Sharing with 2 others	Sharing with 3 others
Origin Energy	\$	\$	\$
GWM Water	\$	\$	\$
