

# VCE Music Inquiry 2023–2027

## Aural and written examination – End of year

### Examination specifications

#### Overall conditions

The examination will be sat at a time and date to be set annually by the Victorian Curriculum and Assessment Authority (VCAA). [VCAA examination rules](#) will apply.

There will be 15 minutes of reading time and 1 hour of writing time.

The examination will be assessed by a panel appointed by the VCAA.

The examination will contribute 15 per cent to the study score.

#### Content

The *VCE Music Study Design 2023–2027* ('Units 3 and 4: Music Inquiry') is the document for the development of the examination. Outcome 3 in 'Units 3 and 4: Music Inquiry' will be examined.

All of the key knowledge and key skills that underpin Outcome 3 in 'Units 3 and 4: Music Inquiry', and the definitions of the compositional devices and music elements found on pages 15–19 of the 'Cross-study specifications' in the study design are examinable.

#### Format

The examination will be in the form of a question and answer book. An audio recording will play for the duration of writing time.

The examination will consist of short-answer and extended-answer questions, which may include multiple parts, based on three to six previously unheard excerpts of music. Excerpts may vary in length and represent a range of styles and sound sources, including digital instruments and other music technology. Questions will be derived from Area of Study 3 in Units 3 and 4, and will require students to respond to the music they hear. Students will be expected to identify, describe and explain the treatment of compositional devices, music elements and concepts in excerpts of music, formulate a response that is substantiated by objective and analytical information, and discuss the similarities and differences between the approaches used by performers and/or creators in different works.

All questions will be compulsory. The total marks for the examination will be 75.

Answers are to be recorded in the question and answer book.

## Approved materials and equipment

Pens, pencils, highlighters, erasers, sharpeners and rulers

## Relevant references

- *VCAA Bulletin*

## Advice

During the 2023–2027 accreditation period for VCE Music Inquiry, examinations will be prepared according to the examination specifications above. Each examination will conform to these specifications, and will test a representative sample of the key knowledge and key skills from Outcome 3 in 'Units 3 and 4: Music Inquiry' and the definitions of compositional devices and music elements found on pages 15–19 of the 'Cross-study specifications' in the study design. Possible methods of documentation when responding are included on page 14 of the 'Cross-study specifications'.

Students should use [command/task words](#), other instructional information within questions and corresponding mark allocations to guide their responses.

A separate document containing a sample examination has been published on the VCE Music Inquiry ['Examination specifications, past examinations and examination reports'](#) page on the VCAA website.

The sample examination provides an indication of the format of the examination, and the types of questions teachers and students can expect until the current accreditation period is over.

The VCAA does not provide answers to sample examinations.
