THEATRE STUDIES

Monologue performance examination

Monday 2 October to Sunday 29 October
GUIDELINES FOR STUDENTS AND TEACHERS

Performance examination conditions
1. The examination will be set and marked by panels appointed by the Victorian Curriculum and Assessment Authority (VCAA).
2. VCAA examination rules will apply. Details of these rules are published annually in the VCE and VCAL Administrative Handbook.
3. The performance venue is set annually by the VCAA.
4. The monologue will be presented as a single uninterrupted performance and last not more than seven minutes.
5. If a performance goes over the prescribed time limit the student will be asked to stop. A timing device will indicate when the seven minutes is over.
6. A total of ten minutes per student will be allocated for preparation, performance and clearing the space. No additional time can be allowed. Students should be mindful of these time restrictions when preparing stagecraft for the monologue.
7. The performance will use a single clearly lit space. No changes to the lighting grid are allowed.
8. One table and two chairs will be provided in the examination room for students to use in performance if they wish. Any additional props, if required, must be carried into the examination space by the student alone, and within the allotted time.
9. Students are not permitted to bring any objects or substances deemed hazardous or illegal into the performance examination venue. All actual and imitation weapons are prohibited. The use of such items is not permitted in the performance.
10. The use of open flames including candles and matches is not permitted in performance.
11. Only the panel of assessors and any personnel authorised by the VCAA will be allowed in the examination room with the student during the examination.
12. Students may choose to perform to the assessors as audience or to an imagined audience, or both.
13. Students must not walk behind and/or touch assessors during the examination.

Statement of Intention
1. A pro forma for the Statement of Intention will be published annually by the VCAA.
2. Immediately prior to performance students are required to present three copies of the Statement of Intention to the panel of assessors. The Statement of Intention should not exceed 100 words.
3. The Statement of Intention should contain an elaboration of directional choices made by the student which affect the interpretation of their chosen monologue.
4. The Statement of Intention will not be assessed.

Practical applications and implications of the examination
• The monologue is the only aspect of the interpretation of a scene that is to be performed for the examination.
• The monologue performance should draw on the knowledge and skills developed in the interpretation.
• The interpretation should inform and contextualise the monologue within the scene and within the play.
• Some of the directional choices of the interpretation of the scene may not be apparent in the performance of the monologue. Rather, they may play an important role in the processes used in developing the interpretation of the monologue.
• Some of the directional choices and interpretative decisions may be relevant for mention in the Statement of Intention.
Monologues
1. Students are to develop a performance from one of the following monologues. The monologue should be developed in Unit 4 Outcome 1.
2. Students must select from the list of thirteen prescribed monologues. Marks will not be awarded for performances that do not use one of the monologues.
3. Reading does not constitute a performance.
4. All monologues may be performed by both male and female students.
5. In all monologues, students are to omit all spoken lines other than those allocated to the specified character.

Notes:
• Schools should note that some monologues and specified scenes may contain a variety of suggestive and/or potentially offensive language. Schools may substitute or delete such language from performances as they deem appropriate.
• Source materials listed include both Internet references and text references. Some monologues include both type of reference. Use of either reference is acceptable and they are deemed to be equivalent.
• Page numbers are a guide only. They may vary between editions and reprints.
• Teachers are advised that if they are unable to access the edition(s) cited, they must ensure that the edition chosen is consistent with that identified in the VCAA monologue list.

If the edition chosen is different from the one(s) cited, teachers must forward the following items to the VCAA by Friday 30 September:
– a full copy of the monologue they propose to use
– a copy of the publication details including publisher, date of publication and series (if any) to which the publication belongs.

These items are to be forwarded to:
