Monologue performance examination

Monday 8 October to Wednesday 31 October 2012

GUIDELINES FOR STUDENTS AND TEACHERS

Performance examination conditions

1. The examination will be set and marked by panels appointed by the Victorian Curriculum and Assessment Authority (VCAA).
2. VCAA examination rules will apply. Details of these rules are published annually in the *VCE and VCAL Administrative Handbook*.
3. The performance venue is set annually by the VCAA.
4. The monologue will be presented as a single uninterrupted performance and last **not more than seven minutes**.
5. If a performance goes over the prescribed time limit the student will be asked to stop. A timing device will indicate when the seven minutes is over.
6. A total of **ten** minutes per student will be allocated for preparation, performance and clearing the space. No additional time can be allowed. Students should be mindful of these time restrictions when preparing stagecraft for the monologue.
7. The performance will use a single clearly lit space. No changes to the lighting grid are allowed.
8. One table and two chairs will be provided in the examination room for students to use in the performance if they wish. Any additional props, if required, must be carried into the examination space by the **student alone**, and within the allotted time.
9. Students are **not** permitted to bring any objects or substances deemed hazardous or illegal into the performance examination venue. **All** actual and imitation weapons are prohibited. The use of such items is **not** permitted in the performance.
10. The use of open flames including candles and matches is not permitted in the performance.
11. Students must ensure that any props, costumes (including footwear) or other aspects of their performance do not, in any way, damage the performance space.
12. Students are responsible for the cleaning up and removal of any materials they bring into the performance space.
13. Only the panel of assessors and any personnel authorised by the VCAA will be allowed in the examination room with the student during the examination.
14. Students may choose to perform to the assessors as audience or to an imagined audience, or both.
15. Students must not walk behind and/or touch and/or approach assessors during the examination.
16. The assessors' table is for assessment purposes. Students are not to place objects on the assessors' table or use the table in any way as part of their performance.

Statement of Intention

1. A pro forma for the 2012 Statement of Intention is provided on page 13.
2. Immediately prior to their performance, students are required to present **three copies** of the Statement of Intention to the panel of assessors. The Statement of Intention should not exceed 100 words.
3. The Statement of Intention should contain an elaboration of directional choices made by the student which affect the interpretation of their chosen monologue.
4. The Statement of Intention will not be assessed.

Practical applications and implications of the examination

- The monologue is the only aspect of the interpretation of a scene that is to be performed for the examination.
- The monologue performance should draw on the knowledge and skills developed in the interpretation.
- The interpretation should inform and contextualise the monologue within the scene and within the play.
- Some of the directorial choices of the interpretation of the scene may not be apparent in the performance of the monologue. Rather, they may play an important role in the processes used in developing the interpretation of the monologue.
- Some of the directorial choices and interpretative decisions may be relevant for mention in the Statement of Intention.

Monologues

1. Students are to develop a performance from **one** of the following monologues. The performance monologue should be developed in Unit 4 Outcome 1.
2. Students **must** select from the list of thirteen prescribed monologues. Marks will not be awarded for performances that do not use one of the monologues.
3. Reading or the replaying of previously recorded lines from the monologue does **not** constitute a performance.
4. All monologues may be performed by both male and female students. However, all characters **must** be portrayed in the gender as identified.
5. Students are to deliver all spoken lines allocated to the specified character. Students are **not** to deliver lines which are omitted including those of other characters and in some instances from the specified character.

Text availability

Some of the plays containing the set monologues may have limited availability. Teachers will need to ascertain the availability of the set monologues at the earliest opportunity.

Notes for 2012

While the VCAA considers all plays on this list suitable for study, teachers should be aware that in some instances sensitivity might be needed where particular issues or themes are explored. Teachers should make themselves aware of the issues and themes contained in the monologues prior to the commencement of Unit 4 so they can advise students appropriately.

Any enquiries should be directed to Kris Allen, Project Manager, Examinations, telephone 9225 2356 or email examinations.vcaa@edumail.vic.gov.au.

Students **must** perform the version of the Monologue as detailed in the examination paper. No other versions will be considered.

Students are to consider the stage directions as contained in the monologue when making interpretive and directorial choices.

The monologue should be used in conjunction with the full playscript to complete work associated with Outcomes 1 and 2. Where the complete play is different from the edition selected by the VCAA, care should be taken to ensure that the correct scene is studied.

2012 Monologue choices

Page and/or line numbers are provided for assistance to find the relevant passages. These are highly likely to change between editions.

As far as possible ISBN numbers have been given where they are available. These will change between editions and reprints. They do, however, offer a guide to teachers wishing to locate editions of the play.

Where dialogue has been adapted to a monologue, students may respond freely to their interpretation of the omitted lines. There is no necessity to leave a pause for omitted lines.
