Monologue performance examination

Monday 7 October to Sunday 3 November 2002
GUIDELINES FOR STUDENTS AND TEACHERS

Performance examination conditions
1. The examination will be set and marked by panels appointed by the Victorian Curriculum and Assessment Authority.
2. Victorian Curriculum and Assessment Authority examination rules will apply. Details of these rules are published annually in the VCE Administrative Handbook.
3. The performance venue is set annually by the Victorian Curriculum and Assessment Authority.
4. The performance will use a single clearly lit space. No changes to the lighting grid are allowed.
5. Only the panel of assessors will be allowed in the examination room with the student during the examination.
6. Use of any objects or substances deemed hazardous are not permitted in the performance.
7. The monologue will be presented as a single uninterrupted performance and last not more than seven minutes.
8. If a performance goes over the prescribed time limit the student will be asked to stop. A timing device will indicate when the seven minutes is over.
9. A total of ten minutes per student will be allocated for preparation, performance and clearing the space. No additional time can be allowed. When preparing stagecraft for the monologue students should be mindful of these time restrictions.
10. One table and two chairs will be provided in the examination room for students to use in performance if they wish.
11. Students may choose to perform to the assessors as audience or to an imagined audience, or both.

Statement of Intention
1. A pro forma for the Statement of Intention will be published annually by the Victorian Curriculum and Assessment Authority.
2. Immediately prior to performance students are required to present three copies of the Statement of Intention to the panel of assessors. The Statement should not exceed 100 words.
3. The Statement of Intention should contain an elaboration of directional choices made by the student which affect the interpretation of their chosen monologue.
4. The Statement of Intention will not be assessed.

Practical applications and implications of the examination
- The monologue is the only aspect of the interpretation of a scene that is to be performed for the examination.
- The monologue performance should draw on the knowledge and skills developed in the interpretation.
- The interpretation should inform and contextualise the monologue within the scene and within the play.
- Some of the directional choices of the interpretation of the scene may not be apparent in the performance of the monologue. Rather, they may play an important role in the processes used in developing the interpretation of the monologue.
- Some of the directional choices and interpretative decisions of the interpretation of the scene may be relevant for mention in the Statement of Intention.
Monologues

1. Students are to develop a performance from one of the following monologues. The monologue should be developed in Unit 4 Outcome 1.

2. Students must select from the list of twelve prescribed monologues. Marks will not be awarded for performances that do not use one of the monologues.

3. Reading does not constitute a performance.

4. All monologues may be performed by both male and female students.

Note: Where no edition is stipulated, students are free to choose any version of the standard text. Students and teachers should be aware that, where a specific publication is suggested, individual editions of the same published text commonly change page numbers and update text, however superficially.
