THEATRE STUDIES

Monologue performance examination

Monday 4 October to Sunday 31 October
GUIDELINES FOR STUDENTS AND TEACHERS

Performance examination conditions
1. The examination will be set and marked by panels appointed by the Victorian Curriculum and Assessment Authority (VCAA).
2. VCAA examination rules will apply. Details of these rules are published annually in the VCE Administrative Handbook.
3. The performance venue is set annually by the VCAA.
4. The performance will use a single clearly lit space. No changes to the lighting grid are allowed.
5. Only the panel of assessors will be allowed in the examination room with the student during the examination.
6. Students are not permitted to bring any objects (including actual or imitation weapons) or substances deemed hazardous or illegal into the performance examination venue. The use of such items is not permitted in the performance.
7. The monologue will be presented as a single uninterrupted performance and last not more than seven minutes.
8. If a performance goes over the prescribed time limit the student will be asked to stop. A timing device will indicate when the seven minutes is over.
9. A total of ten minutes per student will be allocated for preparation, performance and clearing the space. No additional time can be allowed. Students should be mindful of these time restrictions when preparing stagecraft for the monologue.
10. One table and two chairs will be provided in the examination room for students to use in performance if they wish.
11. Students may choose to perform to the assessors as audience or to an imagined audience, or both.

Statement of Intention
1. A pro forma for the Statement of Intention will be published annually by the VCAA.
2. Immediately prior to performance students are required to present three copies of the Statement of Intention to the panel of assessors. The Statement of Intention should not exceed 100 words.
3. The Statement of Intention should contain an elaboration of directional choices made by the student which affect the interpretation of their chosen monologue.
4. The Statement of Intention will not be assessed.

Practical applications and implications of the examination
• The monologue is the only aspect of the interpretation of a scene that is to be performed for the examination.
• The monologue performance should draw on the knowledge and skills developed in the interpretation.
• The interpretation should inform and contextualise the monologue within the scene and within the play.
• Some of the directional choices of the interpretation of the scene may not be apparent in the performance of the monologue. Rather, they may play an important role in the processes used in developing the interpretation of the monologue.
• Some of the directional choices and interpretative decisions of the interpretation of the scene may be relevant for mention in the Statement of Intention.
Monologues
1. Students are to develop a performance from one of the following monologues. The monologue should be developed in Unit 4 Outcome 1.
2. Students must select from the list of thirteen prescribed monologues. Marks will not be awarded for performances that do not use one of the monologues.
3. Reading does not constitute a performance.
4. All monologues may be performed by both male and female students.
5. In all monologues, students are to omit all spoken lines other than those allocated to the specified character.

Notes: Schools should note that some monologues and specified scenes may contain a variety of suggestive and/or potentially offensive language. Schools may substitute or delete such language from performances as they deem appropriate.

• Source materials listed include both Internet references and text references. Certain monologues include both type of reference. Use of either reference is acceptable and they are deemed to be equivalent.
• Teachers are advised that if they are uncertain whether the standard of the monologue they intend to use (if it is not exactly the one listed) is consistent with that identified in the VCAA monologue list, they should forward the following items to the VCAA:
  – a full copy of the monologue they propose to use
  – a copy of the publication details including publisher, date of publication and series (if any) to which the publication belongs.

These items are to be forwarded to:
