

VICTORIAN CERTIFICATE OF EDUCATION (VCE)

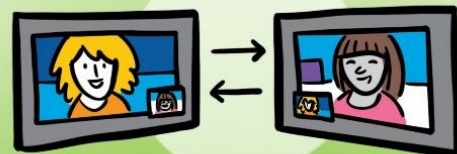

The VCE is Australia's leading senior secondary qualification delivered internationally

The VCE is delivered on both the Victorian Academic Timetable and the Northern Hemisphere Timetable.

The VCE is delivered internationally through a school partnership model.

Victorian teachers mentor their overseas peers to support VCE delivery.

Professional learning is provided through a range of technologies.

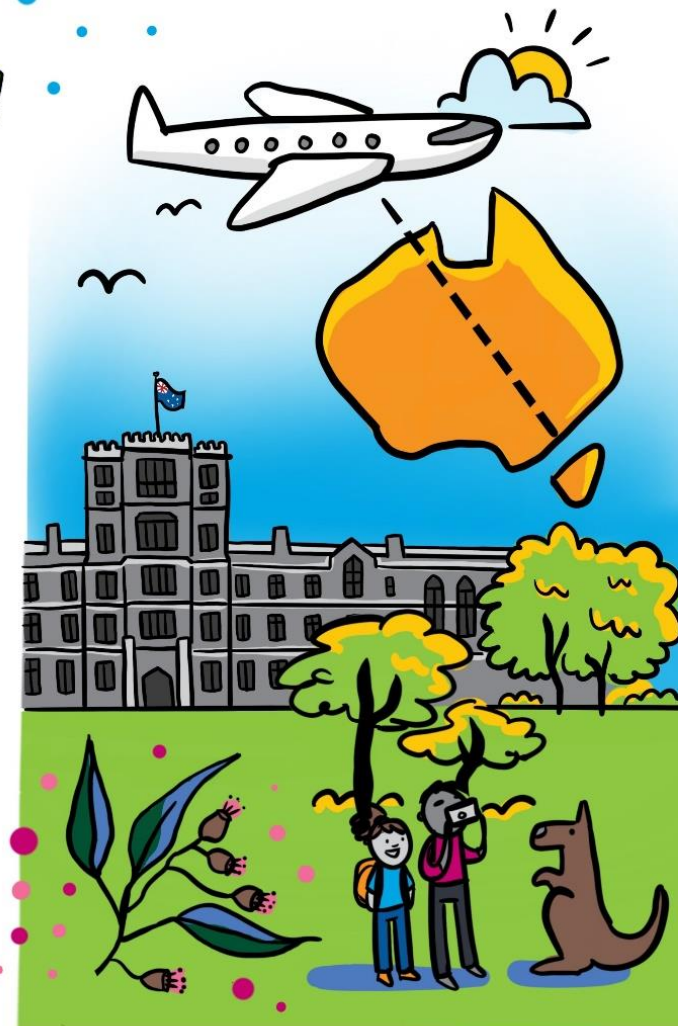

Teacher mobility and professional learning is supported through mentoring relationships and the exchange of knowledge and practice.

VCE CONFERENCE

Schools facilitate VCE conferences for teachers to collaborate and share classroom practice.

Study tours to Victoria provide students opportunities to visit their partner school, Australian universities and participate in a range of cultural experiences.

The VCE provides students with pathways to study at world-leading universities in Australia and internationally.

94% of students who complete the VCE overseas come to Australia for tertiary studies.
