

About this installation

The installer may require administrator privileges to install the application in the recommended location.

This installer will place the Examination application on the root of the startup disc, in a folder called VCAA_2017.

An alias to it will be created on the desktop at the end of the installation process.

Manual Installation

Should the installation fail, please drag the CDM Exam 2017 folder (located on the installation USB) to the desired location on your hard disc.

To run the application, open the copied CDM Exam 2017 folder and double-click the CDM_Exam_2017.app icon, as shown below.
