Armenian, [Auslan](#), Bengali, Bosnian, Chin Hakha, Croatian, Dutch, Filipino, Hebrew, Hindi, Hungarian, Karen, Khmer, Macedonian, Persian, Portuguese, Polish, Punjabi, Romanian, Russian, Serbian, Sinhala, Swedish, Tamil, Turkish, Yiddish

Terminology

Used in VCE
CCAFL Study
Designs based on
the new CCAFL
Framework

The Study Design refers to the CCAFL Framework

- CCAFL Framework provides all the common national materials that all students across Australia study for the language
- Curriculum is basis for the written examination each year, which is developed nationally
- State-based curriculum and assessment is also based on this core common material

Aims

Communicate in language

Engage with cultural and intercultural contexts through language

Share personal, community and global perspectives through language

Objectives

Interacting in language
Analysing language
Creating meaning in language

Learning Language

Communication skills
Language and culture
Language as a system

Using Language

Organisation of content

Objectives

Framework Objectives = VCE Areas of Study

Objective 1	Interacting in the language
Area of Study 1	
Objective 2	Analysing language
Area of Study 2	
Objective 3	Creating meaning in the language
Area of Study 3	

Learning Language

- **Learning language** includes
 - how to communicate
 - language content
 - language, cultural and intercultural awareness
 - understanding language as a system

Learning language

These are features of
the Grammar table

- **Language structures**
 - grammar items and sub-elements
 - suitable grammar for senior secondary level study

Learning language

- **Language functions**

- complex example sentences that show new grammar and expected prior learning
- an example language function for each sub-element linking it with the objectives of the Framework

*These are features of
the Grammar table*

Using Language

- **Using language** includes
 - what is communicated
 - content through concepts, topics, perspectives
 - contexts for language use

Using language

CCAFL Studies accredited
Year 11 to 2023 and
Year 12 2024

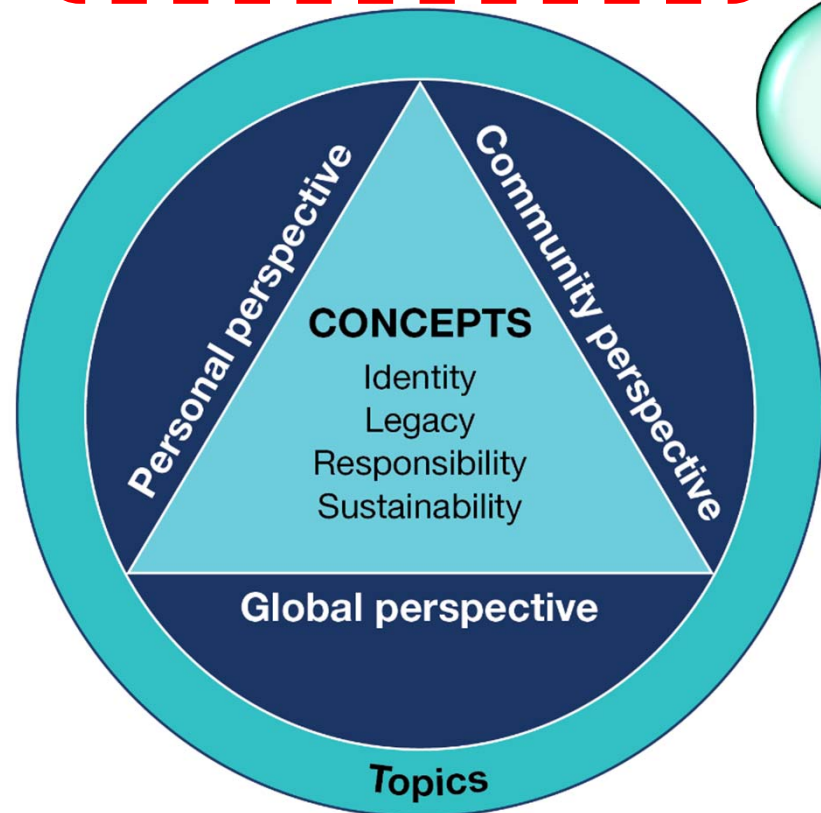

Themes

- The individual
- The Language-speaking communities
- The changing world

Topics

CCAFL Studies accredited
Year 11 from 2024 and
Year 12 from 2025

new

Specific terms

Authentic

- refers to contexts and learning experiences that allow students to use appropriate language for a given real-life situation

Specific terms

Creating meaning in the language

- refers to any language that students generate themselves in spoken, visual or written form
- not limited to particular contexts, purposes or audiences, and includes language for all student products

Specific terms

Intercultural competence

- the ability to think, behave and create meaning to communicate effectively with people across cultures

Specific terms

Mediating between languages

- understanding what is required to take meaning expressed in one language and create similar meaning in another language

Specific terms

Self-representation

- how students present themselves to others when using the language

Specific terms

Visual texts

- Texts that communicate information in visual form and do not rely on verbal information to convey meaning
- For the purposes of this study, a visual text is defined as a visual image without text

Specific terms

Research

- Some Outcomes require students to research the subtopics studied
- Research supports students to create informed products
- Subtopics may be studied and researched either individually, in groups or as a class
- Sources of information may be in the language, in English or another language, or a combination of these
