

Bushfire Education

Data chart: Analysing witness statements

Complete the data chart by reading two witness statements given by people who experienced the 2009 bushfires.

Questions	Fire: Witness statement of:	Fire: Witness statement of:
What words did they use to describe their experience of the 2009 fires? How would you describe their fire plan and their preparedness for the fire? Provide examples to back up your ideas.		
What actions on that day helped them survive?		
What did they do after the fires?
